

Royal Sun *Sunbeds*

Royal Sun Focus

With their unique hexagonal shape and surround-tan technology, *Focus* vertical booths are designed for those customers who don't take their tans lying down. With built-in speakers and volume control, *Focus* booths create a relaxing cocoon for the ultimate tanning experience.

A Perfect Tan

Features:

- Easy assembly with our "Easy Snap" system
- Unmatched comfort with a state-of-the-art direct venting system
- Full body coverage and seamless tans with surround-tan technology
- Tanning times as low as 8 minutes*
- Maximal safety with a handy digital control at your fingertips

Includes:

- Ventilation
- Timer
- Technical functions
- ... and more!

Available Options:

- CFR facials
- Detachable dressing room
- 72-lamp version with built-in leg and facial tanners
- With sufficient quantity, multiple color options are available.

* Using the 60-lamp Focus 160. Tanning time is just 10 minutes using the 50-lamp model. Provided times are estimates. Actual tanning time may vary.

Danger: Ultraviolet radiation. Follow instructions to avoid over-exposure. As with natural sunlight, over-exposure can cause eye and skin injuries and allergic reactions. Repeated exposure may cause premature aging or skin cancer. Wear protective eyewear. Failure to use protective eyewear may result in severe burns or long-term eye injuries.
